Commissioner for Patents **Box Patent Application** Washington, D.C. 20231

INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98, Applicants wish to call to the attention of the Examiner the enclosed "List of References Cited by Applicants." The right is reserved to antedate any item in accordance with standard procedure.

Applicants respectfully submit under 37 C.F.R. 1.98(3)(d) that copies of the references are not included herein as copies were previously cited by or submitted to the Office in parent application Serial No. 09/212,153, filed December 15, 1998, from which we are claiming priority under 35 U.S.C. §120.

Citation of the documents is not to be construed as an admission that the documents are necessarily prior art with respect to the instant invention. This submission is understood to complement the results of the Examiner's own independent search. Citation of the documents shall not be construed as a representation that a search has been made or that the cited items are inclusive of all the relevant

Docket No.: PF-0111-3 CON

and material citations that may be available publicly. Any NCBI report included herein may not have an accurate date for prior art purposes. Some of the documents may have markings thereon. No

significance is meant to be attached to the markings.

Applicants respectfully request that the cited documents be considered by the Examiner and

that an initialed copy of the List of References Cited by Applicants be returned to Applicants.

It is believed that this disclosure complies with 37 CFR §§ 1.56, 1.97 and 1.98 and the Manual

of Patent Examining Procedures § 609. If for some reason the Examiner considers otherwise, please

telephone the undersigned.

Applicants believe that no fee is due with this paper. However, if the Commissioner determines

that a fee is necessary, the Commissioner is hereby authorized to charge any additional fees associated

with this communication or credit any overpayment to Deposit Account No. 09-0108. A duplicate

copy of this communication is enclosed.

If there are any questions regarding the above, the Examiner is invited to call the undersigned at

650-855-0555.

Respectfully submitted,

INCYTE GENOMICS, INC
